HOW THESE WERE BUILT: A heat scan of audience-matched channels (last 75 days), then 20 themes searched across time: mail and cards, home, phishing, impostors, online fakes, the season (Thanksgiving travel, holiday cash), and new territory. Every story passed the quality gate (six hard gates, seven scores) and was checked against the transcripts, the Drive bibles and outlines since Sep 29, and every pitch sheet since Sep 28.

SLATE FIT: Short. Four A stories passed; the weekly target is 10 to 12, and nothing here was padded. Recommended **F1 lead: #2** (live search demo, Thanksgiving travel under two weeks out). Recommended **F2 A: #1** if Jeff didn't already pass on title theft in September; otherwise **#3**. #4 collides with the star-72 outline in this week's batch (both start with a fake bank call): don't run them the same week. Twelve themes were cut; the near-misses (prize impostors, Facebook hijacking) are B/C only and listed at the back.

1. YOUR PAID-OFF HOUSE CAN BE STOLEN

Status: RE-PITCH, first pitched Sep 28 · **Score:** 13/14 (Fear 2, Heat 2, Track record 2, Breadth 2, Peg 2, Newness 1, Producibility 2) · **Lead test:** passes 3 of 3

POTENTIAL PACKAGING

- Your Paid-Off House Can Be STOLEN — Check THIS Tonight
- WARNING to Every Homeowner With a Paid-Off Home — Thieves Are Taking Them
- If You Own Your Home Outright — Sign Up for THIS Free Alert NOW

Built on: "FBI Issues WARNING About Paid Off Mortgages" (Epic Real Estate, 2.49M, Aug 28, 2026) and "Retirees, Once You Pay Off Your Mortgage..." (Holy Schmidt!, 1.04M, Aug 9, 2026). Home lane 2.2×.

THE PITCH

A forger files a fake deed in your name, then sells your house or borrows against it. Homes owned outright are the target because no lender is watching the title. New since we pitched it: on Nov 6, a Queens man became the first person convicted under New York's new deed-theft law, for stealing an 88-year-old's home. The viewer can check their county's free property-fraud alert tonight.

CASES

- **Queens, NY (guilty plea Nov 6, 2026).** Prosecutors say Victor Quimis forged the deed of an 88-year-old hospice patient who had owned her home since 1986, took out a $552,000 mortgage on it and kept about $312,000. The deeds are to be vacated; sentencing is Jan 15, 2027. Queens Eagle, Nov 6, 2026.
- **Flagler County, FL (arrest Nov 6).** Deputies say a woman was caught on a store camera notarizing a deed to land she didn't own; $29,970 was wired out by a title company. TampaFP, Nov 10, 2026. CHECK: vacant land, not a home. LEGAL: charged, not convicted.
- **Brooklyn, NY (June 2026).** The state AG charged a deed theft of a 92-year-old homeowner. HousingWire. CHECK: read in search results only; open it before use.

VIRAL CLIP — YouTube, Epic Real Estate, ~2.49M views (observed Nov 10, 2026), uploaded Aug 28, 2026 "FBI Issues WARNING About Paid Off Mortgages". Also: Holy Schmidt! 1.04M (Aug 9, 2026); Kevin Lum CFP, "Your Home Can Be Stolen With a Forged Deed," 151K (Oct 31, 2026).
Not watched — no timecode, no outcue. Creator videos are heat, not cleared footage.

COVERAGE CHECK

B story Apr 8 (seven months ago). October's caregiver "signs away your house" story is a different scam (the owner signs). Pitched Sep 28; ask whether Jeff passed and why.

FOOTAGE WE NEED

- **The get:** a local package with a living homeowner who lost the house (WXYZ Detroit's deed-fraud piece, ~109K, about Feb 2026, is the first to pull).
- Jeff signs up for his county recorder's fraud alert on screen *(demo)*.

THE PAYOFF

- **Sign up for your county recorder's free property-fraud alert tonight** *(verify which counties offer it)*.
- Look up your deed on the county website once a year; anything you didn't sign, call the recorder and police. (Paid "title lock" services: no endorsement.)

2. THE PHONE NUMBER YOU GOOGLED BELONGS TO A SCAMMER

Status: READY · **Score:** 13/14 (Fear 2, Heat 2, Track record 2, Breadth 2, Peg 2, Newness 1, Producibility 2) · **Lead test:** passes 2 of 3

POTENTIAL PACKAGING

- NEVER Google THIS Phone Number — Scammers Are Answering
- Google Is Showing SCAM Numbers — Check Before You Call Your Airline
- Before You Call Customer Service — Do THIS First

Built on: "Stop doing THIS on your phone" (2.7×) and the "NEVER do THIS" command; phone scams 1.7×.

THE PITCH

You search for your airline, bank or Amazon's number, call the top result, and a friendly "agent" takes your card number or asks to get into your phone. On Oct 27, The Points Guy reported Google's AI answers showing scam numbers for American, United, Delta, Royal Caribbean and Expedia, planted on hacked websites. Thanksgiving travel is two weeks out. Frame it on the phone number, not on travel (travel runs 0.7×).

CASES

- **Denver (2025).** Dan Smoker was charged $17,328 after an airline agent transferred him to a fake Lufthansa number the agent had found by searching online. People via Yahoo, Aug 27, 2025.
- **River Forest, IL (July 2026).** A woman lost about $4,000 to fake "flexible" tickets; Amex refunded it after the ABC7 I-Team stepped in. ABC7 Chicago, Jul 23, 2026. CHECK: her number came from an email link, not a search.
- **Boston (Oct 2026).** A traveler called a number Google showed for Swiss International Air Lines; a $4,500 charge followed, and Amex blocked it. The Points Guy, Oct 27, 2026. No loss.

VIRAL CLIP — YouTube, Good Morning America, ~528K views (observed Nov 10, 2026), uploaded Aug 22, 2025 "Passenger charged $17,328 after being accidentally transferred to scammer." No local clip found yet on the AI-search version.
Not watched — no timecode, no outcue.

COVERAGE CHECK

Never a segment. Closest: fake locksmiths in Google ads (Sep 2, an aside) and scam ads on YouTube (Jul 8). Checked: transcripts, Drive bibles and outlines since Sep 29, all pitch sheets since Sep 28.

FOOTAGE WE NEED

- **The get:** the GMA Denver package.
- Jeff searches an airline's number live and shows where the real one lives (the app, the card) *(demo; CHECK the AI answer is reproducible on taping day)*.

THE PAYOFF

- **Never search for a customer-service number. Use the company's app, a website you type yourself, or the number on the back of your card.**
- Save your airline's and bank's real numbers in your phone before you travel.
- Anyone who asks to get into your phone or for a gift card: hang up.

3. THEY FOLLOWED HER HOME FROM THE BANK

Status: READY · **Score:** 13/14 (Fear 2, Heat 2, Track record 1, Breadth 2, Peg 2, Newness 2, Producibility 2) · **Lead test:** passes 1 of 3

POTENTIAL PACKAGING

- Thieves Are FOLLOWING Seniors Home From the Bank — Do THIS Before You Leave
- If You Take Cash Out at the Bank — WATCH Your Rearview Mirror
- Holiday Cash WARNING — Thieves Are Waiting in the Bank Parking Lot

Built on: the arrest-and-thief titles ("airport thieves" 5.1×; "You let them in, then they steal everything" 2.2×).

THE PITCH

Police call it "jugging": crews sit in bank parking lots, watch who walks out with cash, and follow them home or to their next stop. Holiday cash season is when police repeat the warning; Independence, Missouri police issued one Oct 15. The viewer's move is simple and happens inside the bank.

CASES

- **Manteca, CA (Apr–Jun 2026).** Police tied ten cases and more than $78,000 in losses to bank followers, then arrested a man as he arrived to hit another customer. Contra Costa News, Jun 18, 2026. LEGAL: charged.
- **Oconee County, SC (Jun 2026).** About $22,000 withdrawn for payroll was taken from a truck; a second Texas man was arrested Sep 30. FOX Carolina, Sep 30, 2026.
- **Cypress, TX (2025).** Deputies say a man followed an 84-year-old retired judge from his bank, knocked him down and broke his hip over about $600; he also robbed a 70-year-old woman. ABC13, Sep 4, 2025.

VIRAL CLIP — YouTube, FOX 35 Orlando, ~1.48M views (observed Nov 10, 2026), uploaded Jun 19, 2023 Police "jugging" warning. Also: Inside Edition 789K (Sep 2023); FOX 5 DC 710K (Jul 2024); Inside Edition holiday-cash piece 139K (Dec 2023); FOX 5 San Diego 89K (Mar 2026).
Not watched — no timecode, no outcue.

COVERAGE CHECK

Never done. Closest: the $20 distraction scam (Jul 29) and ATM cash trapping (Sep 9). Soft flag: it's street crime, which David called "okay" but not loved on Oct 25.

FOOTAGE WE NEED

- **The get:** FOX 35 Orlando or FOX 5 San Diego (2026, a father followed home).
- A local 2026 package with a senior victim (Miami-Dade, Apr 2026, to pull).

THE PAYOFF

- **Put the cash away inside the bank, never in the parking lot or the car.**
- Use the drive-thru, or move big amounts by transfer.
- Think you're being followed? Don't go home. Drive to a police station and call 911.

4. YOUR BANK WILL NEVER SEND THIS PERSON TO YOUR DOOR

Status: NEEDS A CLIP · **Score:** 11/14 (Fear 2, Heat 1, Track record 2, Breadth 2, Peg 2, Newness 1, Producibility 1) · **Lead test:** passes 1 of 3

POTENTIAL PACKAGING

- Your Bank Will NEVER Send THIS Person to Your Door
- DEBIT CARD ALERT — Scammers Are Coming to Your HOUSE for It
- If "Your Bank" Says a Courier Is Coming — DON'T Open the Door

Built on: "DEBIT CARD ALERT" (2.8M, 12×), the channel's biggest live show.

THE PITCH

"Your bank" calls about fraud on your card and says someone will come by to pick it up and replace it. They take the card and your PIN, and the account is drained within the hour. Three men were arrested Oct 20 in upstate New York for doing this to a 75-year-old. The tell is one sentence: your bank never sends anyone for your card.

CASES

- **East Greenbush, NY (arrests Oct 20, 2026).** Police say callers told a 75-year-old her card was compromised, then came to her home and took it; about $6,000 was withdrawn and recovered. CBS6 Albany, Oct 21, 2026. LEGAL: charged.
- **Melvindale, MI.** A 68-year-old handed her cards and PIN to a man in a bank-style uniform; nearly $6,000 was gone in about 45 minutes. A man was arrested three days later. WXYZ. CHECK: the year.
- **Flagler Beach, FL (June 2026).** A fake bank caller had an elderly man leave his debit card in his mailbox; about $3,500 in charges followed. Yahoo, Jul 15, 2026.
- **Palm Beach area, FL (March 2026).** A woman came to the door, took the debit card and cut it in half in front of the victim; $1,000 was withdrawn. Police release, May 14, 2026.

> **CLIP** — YouTube, CTV News, ~151K views (observed Nov 10, 2026), uploaded Oct 8, 2025
> "More than 90 victims fall for 'bank investigator scam'." Canadian. No U.S. clip over 50K found; WXYZ's web video is the first to pull.
> *Not watched — no timecode, no outcue.*

COVERAGE CHECK

Never a segment. A cash courier came up in the Sep 23 Zelle call-in; gold couriers were pitched Oct 25. Collides with this week's star-72 outline (a fake bank call): run them in different weeks, or fold the courier into the star-72 show.

FOOTAGE WE NEED

- **The get:** a U.S. local package (WXYZ Melvindale or CBS6 Albany).
- Graphic: the call, the knock, the card, the empty account.

THE PAYOFF

- **Your bank will never send anyone for your card or ask for your PIN. Hang up and call the number on the back of the card.**
- Never put a card in your mailbox or an envelope for pickup.
- A card cut in half in front of you still works online: call the bank anyway.

RESEARCH SOURCES & VERIFICATION FLAGS

READ THIS FIRST

View counts and upload dates were read Nov 10, 2026 with yt-dlp unless marked "search only." No clip was watched. "Confirmed" means a source I opened says it; allegations stay allegations. Research notes are in the repo under `runs/W_11132026/research/`.

STORY 1 — TITLE THEFT

Confirmed: Queens guilty plea Nov 6, 2026, first under New York's new deed-theft law; 88-year-old owner since 1986; $552,000 mortgage, about $312,000 kept; sentencing Jan 15, 2027 (Queens Eagle). Flagler County land-deed arrest, $29,970 (TampaFP, Nov 10, 2026). Clip dates and views above.

Sources: Queens Eagle · TampaFP · HousingWire (search only) · Epic Real Estate clip · Holy Schmidt! clip · Kevin Lum clip · WXYZ clip (search only) · KVOA clip

NEEDS VERIFICATION:

- **The heat clip's "FBI WARNING" is FBI Boston's April 2025 warning.** No 2026 FBI release found. Never call it a new FBI warning on air or in a title.
- No national loss figure exists (the FBI doesn't track deed fraud separately). Don't use one.
- No case since Sep 28 where a living homeowner in a paid-off home lost it outright; the Queens owner was alive but in hospice. The title "Your paid-off house can be stolen" is supported; "thieves are taking them" needs the Brooklyn case confirmed.
- Did Jeff pass on this Sep 28? If he did and said why, it's retired unless the conviction changes his mind.

STORY 2 — FAKE SUPPORT NUMBERS

Confirmed: Denver $17,328 (People via Yahoo, Aug 27, 2025). River Forest about $4,000, refunded after ABC7 (Jul 23, 2026). Points Guy report on AI search answers, Oct 27, 2026. GMA clip 528K, Aug 22, 2025.

Sources: People via Yahoo · ABC7 Chicago · The Points Guy · GMA clip

NEEDS VERIFICATION:

- **The sexiest line, "Google's AI is handing out scam numbers," rests on one outlet (The Points Guy) and a blocked attempt.** Reproduce it ourselves before taping or attribute it every time.
- No victim ages in any case; the 55+ fit is inferred from who travels and calls support lines.
- The Denver loss came through an airline agent's search, not the victim's. Say so.

STORY 3 — JUGGING

Confirmed: Manteca ten cases, $78,000+ (Contra Costa News, Jun 18, 2026). Oconee County $22,000, arrest Sep 30, 2026 (FOX Carolina). Cypress 84-year-old, broken hip (ABC13, Sep 4, 2025). Independence PD warning (KCTV5, Oct 15, 2026). Clip dates and views above.

Sources: Contra Costa News · FOX Carolina · ABC13 · KCTV5 · Local 10 Miami (headline only) · FOX 35 Orlando clip · Inside Edition clip · FOX 5 DC clip · FOX 5 San Diego clip

NEEDS VERIFICATION:

- **"Seniors" in the title outruns the 2026 cases**, whose victims were mostly workers pulling payroll cash. The senior case (Cypress) is from Sept 2025. Open the Miami-Dade senior case or soften to "you."
- The big clips are 2023–24; date them on air.
- Ventura County amounts came from search summaries only.

STORY 4 — CARD COURIER

Confirmed: East Greenbush arrests (CBS6, Oct 21, 2026); Flagler Beach (Yahoo, Jul 15, 2026); Palm Beach area (police release, May 14, 2026); Melvindale (WXYZ, year not shown). CTV clip 151K, Oct 8, 2025.

Sources: CBS6 Albany · WXYZ · Yahoo (Flagler Beach) · WPB police release · CTV clip · CBC Marketplace clip

NEEDS VERIFICATION:

- East Greenbush: the article doesn't say the callers posed as her bank. Confirm before it leads.
- Melvindale's year. Don't use the Margate, FL case; it's from 2018–19.
- Losses are $1,000 to $6,000 per case: check the pitch bar ("does it matter to them?") in the room.
- CBC Marketplace (414K, Oct 23, 2026) covers bank impostors broadly; a courier segment is unconfirmed.

STORIES CUT — SOURCING PRESERVED

- **Prize and sweepstakes impostors (RE-PITCH): B/C only, 10/14, Fear 1.** Stuart, FL couple, 74 and 87, lost $141,000+, their house and a car to a fake PCH caller (Atlanta Black Star citing TCPalm, Jun 24, 2026); federal PCH-impostor arrests Jun 28, 2026 (Fox56, Aug 12, 2026); KCTV5 Vietnam veteran $180,000 (Mar 4, 2026). Best clip FOX10 136K (Feb 2025). Closest miss: a B or C with a strong victim.
- **Facebook account hijacking: B/C only, 11/14, Fear 1** (the friends lose the money). WKMG, May 2026, friends lost $8,000+. Clips WDIV 122K (2023), Hawaii News Now 187K (2024).
- **Bitcoin ATMs: H4.** A segment Aug 26 (11 transcript hits) and the Sep 16 call-in. Fresh peg exists (California order against Coinflip, Nov 4, 2026) for after February.
- **Refund scam ("we refunded too much"): H4 and H6.** Pitched 10/28; news clips under 30K.
- **Fake Social Security email takeover: H3 and H6.** No victim for the takeover step; clips under 40K.
- **Social Security deposit redirected: H3.** Newest named victim 2020; SSA IG audit (Sep 9, 2025) covers 2023. Returns if a 2026 victim turns up.
- **Screenshot-reading phone malware: H1, H3 and H6.** The 1.3M "STOP Taking Screenshots" video is an iPhone tip, not malware.
- **Holiday puppy sellers: H1.** BBB data says it skews young.
- **"I sent you money by mistake": H3 and H6.**
- **Phantom debt collectors: H3.** No 2025–26 victim with a loss; newest FTC action 2025.
- **The tiny test charge: H3.** No cardholder victim; a tip inside another story.
- **Medicaid and the paid-off home (1.6M, Epic Real Estate, last week): not a scam.**

OPEN QUESTIONS FOR THE MEETING

- **F1 lead:** #2 (fake support numbers) for Friday's live show, with a live search demo? It's two weeks before Thanksgiving travel and fits next to the Black Friday deals block.
- **F2 A:** #1 (title theft) if Jeff didn't pass on it Sep 28; otherwise #3 (jugging). Which?
- **#4 and star-72:** same opening (a fake bank call). Fold the courier into the star-72 show, or hold it a week?
- **Jugging is street crime.** David was lukewarm on that lane Oct 25. Worth an A, or bank it?
- **Short slate:** four A's. Pitch the two B/C near-misses (prize impostors, Facebook hijacking) alongside, or send only the four?
